Only the English and ACCR approved text of the Regulations will be binding. Headings and typeface in this document are for ease of reference only and do not form part of these Sporting Regulations.

The official language of the "2020 TCR Technical Regulations" is English.

3.2 Responsibility, modification of the regulations, cancellation of the event

The participants (=entrants, drivers, passengers, vehicle proprietors and registered keepers) take part in the event at their own risks. They carry the exclusive responsibility under civil and criminal law for all the damages caused by them or the car used by them as far as no exclusion of liability has been concluded.

Modifications to these regulations may in principle be carried out only by the relevant authorities. After the beginning of the event, modifications should be carried out only by the Stewards of the event by means of bulletins, but only in case of necessity for safety reasons and/or reasons of force majeure, or by order of the authorities, or concerning the details given in the regulations about the length of the track, the duration of the races, the number of laps and the officials and marshals, or in case of an obvious mistake in the regulations.

The organiser reserves the right to cancel or postpone the entire event or a particular race for the aforementioned reasons, subject to the agreement of the respective ASN and of the FIA, and as far as the calendar is concerned, claim for damages or compensation or claim to performance are in this case excluded.

3.3 General Definitions

Participants must ensure that their cars comply with the Sporting and Technical Regulations of the TCR Eastern Europe at any time during a TCR Eastern Europe Event 2020. It is the participants' obligation to produce evidence of conformity.

The Line is a single line which crosses both the track and the pit lane at an angle of 90° across the driving direction (hereinafter referred to as the Line). The lap times will be taken at the Line.

4. Entries

The total number of entries in the Championship 2020 is limited to 28 cars. Six additional entries may be accepted at the TCR Eastern Europe discretion.

Entries for just one event/guest entries shall be possible, provided that the track licence of that event allows additional racers.

4.1 Registrations/entries, entry closing date and obligation to participate

The entrant and/or driver must submit his application to be admitted to the 31/03/2019 by using the form provided by the series organiser "Application for registration".

The series organiser reserves the right to accept later applications.
The completely filled in and signed application must be sent to the following address:

KRENEK MOTORSPORT s.r.o., Revolucni 246, 250 64 Mesice, Czech Republic

With the submission of the "Application for registration", entrant and driver charge and authorise the series organiser to submit entry forms on his behalf for those events which form part of the series TCR Eastern Europe (block entry).

With the registration, entrant and/or driver undertake to participate in all the events.

4.2 Entry fees for the season and per event

The registration/entry fees as well as a possible deposit are payable as specified on the "Application for registration". The following registration/entry fees are payable by the participants:

6.500 € + VAT for the season 1.300 € + VAT for one event

All the accepted participants will receive a written confirmation of their registration.
The series organiser reserves the right to refuse "Applications for registration" with having to give reasons.

4.3 Competition-numbers

The participants will get permanent competition-numbers from the series organiser for the whole season.

5. Licences

All drivers, competitors and officials participating in the Series must hold current and valid licences (minimum requirement a grade D and C FIA international Driver's licence) and, where applicable, valid licences and/or authorisations issued by their ASN.

The starting grid for Race 2 as per Qualifying result (second best lap time)

c) Starting modes

The races will be started as follows:

Standing start with staggered formation (GP start)

d) Races

The races will run over the distance of 25 minutes.

8. Classification

The title “Champion TCR Eastern Europe” will be awarded to the driver who has scored the highest number of points at the end of the last race of the year 2020. All the final results obtained during the TCR Eastern Europe races of the year 2020 will be taken into consideration.

The title „Team-Champion TCR Eastern Europe“ will be awarded to the team (competitor) which has scored the highest total of points at the end of the last race of the year 2020. All the final results obtained during the TCR Eastern Europe races of the year 2020 will be taken into consideration.

Each competitor with more than two entries must nominate teams of two cars, which will be taken into account for the team championship before the end of initial scrutineering of the very first event. Both cars of a team earn points for the team championship. Teams can only be formed with drivers of the same competitor. The team name must contain the competitor’s name and must be approved by the organizer.

The title “Junior Champion TCR Eastern Europe” will be awarded to the driver who has scored the highest number of points at the end of the last race of the year 2020. All the final results obtained during the TCR Eastern Europe races of the year 2020 will be taken into consideration.

Junior drivers are all drivers who are born in the year 1999 or later.

The best-placed driver of each race of the category Junior shall receive podium honors.

8.1 Scale of points

The car placed first will be the one having covered the scheduled distance with his car in the shortest time, including all eventual penalties.

In order to be classified a driver who has taken the start must have completed least 70 % of the winner’s race distance.

If the race lasts 50% to 70% of the indicated minimum length, ½ of the points shall be awarded.

To qualify for 50% of points a minimum of 3 starters must appear.

To qualify for 100% of points a minimum of 6 starters must appear.

The following points will be awarded:

25 – 18 – 15 – 12 – 10 – 8 – 6 – 4 – 2 – 1

8.2 Equality of points

By equality of points in the final evaluation between several participants the number of 1st, then 2nd and further results is crucial.

9. Administrative checks

The participants shall personally submit their Driver’s/Entrants’ and/or Sponsor Licences as well as an ASN authorisation (approval of their own ASN for foreign competitors/drivers) as well as a valid medical certificate of aptitude.

9.1 Timetable administrative checks

See relevant Supplementary Event Regulations or official notice board.

10. Scrutineering/Technical checks

The drivers or their representatives must present their race car and the compulsory driver's safety equipment at scrutineering. The car must be presented in the configuration as it will be used in the competition (incl. competition-numbers) and it must comply with the applicable technical regulations.

The following car documents must be submitted:

- Technical passport or registration document/motor vehicle registration certificate Part I
- Homologation form
- Certificate for rollover structure

Cars which have successfully passed Scrutineering shall be provided with a special identification by the Scrutineers. Any car failing to comply with the Technical Regulations shall be rejected by the Scrutineers.

The Scrutineers may carry out any kind of checks on the race cars at any time, also immediately before a car leaves the pit lane. The competitors must take this into consideration in their schedule.

The correct presentation of the series sponsors and of the competition numbers as indicated in TCR Eastern Europe Organiser's Regulations shall be checked at Scrutineering. The participants shall have time until the first Qualifying to execute any adjustments requested.

In co-ordination with the Stewards and the Technical Delegate, the scrutineers or ACCR authorised persons may also check cars or car components after an event at a location other than the circuit area. The Stewards will be informed about the results of such checks. The race results remain provisional until the Stewards have decided.

The cost of disassembly or assembly due to post-inspection both during and after an event shall be borne by the competitor concerned.

10.1 Repair, sealing and marking of vehicle parts

Engines and turbo units by the Technical Delegate

10.2 Timetable Scrutineering/ Technical checks

See Supplementary Event Regulations

11. Title

The title

Champion TCR Eastern Europe 2020

will be awarded to the driver who has scored the highest number of points after all the events of the TCR Eastern Europe.

The title

Team Champion TCR Eastern Europe 2020

will be awarded to the competitor who has scored the highest number of points after all the events of the TCR Eastern Europe.

The title

Junior Champion TCR Eastern Europe 2020

will be awarded to the Junior who has scored the highest number of points after all the events of the TCR Eastern Europe.

12. Tyres

No tyres shall be used other than those provided by the permanent series supplier Yokohama.

Any modification or cutting of the tyre tread or the tread pattern shall be prohibited. Any chemical, mechanical or thermal treatment of the tyres shall be prohibited. This prohibition includes the use of microwaves and/or infrared systems.

Exceptions:

- It shall be permitted to cool the tyres with water.
- Any dirt (stones / pick-up) on the tyre tread of the dry-weather tyres may only be removed by means of thermal-mechanical scrapers.

Increasing tyre temperature above the ambient temperature by any device or fixture shall be prohibited. Tyres shall not be covered while vehicles line up in the starting grid.

The tyres may only be filled with chemically unmodified ambient air or with nitrogen.

12.1 Tyre Marking

All dry-weather tyres shall carry a bar code label incorporated during their manufacture and allowing unambiguous identification of each tyre. Prior to the Qualifying of an TCR Eastern Europa event, the bar code labels of the dry-weather tyres eligible for that event shall be registered by the Scrutineers.

The following must be respected:

- All tyres to be newly registered must come from the stock of the tyre supplier present at the circuit.
- The tyre supplier may not take back tyres which have already been registered by the Scrutineers.
- Reports indicating the registered bar code numbers shall be submitted to the participants for verification and signing

12.2 Tyre limitation

a) Dry-weather tyres

Each driver shall be allocated a maximum of eight new tyres for qualifying and the races of an event. In addition, the maximum of 12 tyres that were allocated to a driver at a previous event of the TCR Eastern Europe may be nominated for each driver for the qualifying and races of an event. The total number of tyres for each driver and event must not exceed 12. The barcode numbers of these tyres must be communicated to the Technical Delegate or his representative in writing before the start of the event.

At the first event, each driver may be allocated no more than six new tyres instead of the used tyres. The same shall apply to guest starters who are participating in an event for the first time in a season.

b) Wet-weather tyres

There are no restrictions on the number of wet-weather tyres used.

12.3 Tyre check

At any time during an event, the Scrutineers and the official assistant Scrutineers may check the tyres in relation to their correct identification and for compliance with the regulations. All participants must allow such checks and provide the necessary assistance for them to be carried out.

12.4 Tyre use

Wet-weather tyres shall only be used during Qualifying, or a Race, if the Race Director has declared the session a Wet Practice or Wet Race.

13. Limitation of turbo units

No appeal may be lodged against a decision by the stewards, concerning a breach of the regulations on the limitation of turbo units.

13.1 Number of turbo units per season

Number of permitted turbo units per season: 3.

Any change of the turbo unit by the competitor must be requested in writing to the Technical Delegate. No more than two changes (2) of the turbo unit per car are permitted without being penalized. Every further change of a turbo unit is penalized automatically with a drop to the back of the grid in the next race, the competitor takes part in. However, a penalty will not be incurred if the turbocharger is changed together with the engine unit.

14. Weights and weighing

A weighing tolerance of 2 kg shall be taken into consideration for determining the actual weight. The weighing result shall be a decision of a judge of fact.

14.1 Minimum weight of the car

The required minimum weight of each car with driver and his equipment but without fuel shall be determined as follows: Minimum weight of the car according to the 2020 TCR Technical Regulations. The cars must comply to the regulations on minimum weight at any time during a TCR Eastern Europe event. The minimum weight can change during the season according to the BoP.
